

# An SBDC Maze Game for Jr. CBA Advisors!

Help show Brenda Business Owner  
how easy it is  
to find her local SBDC center!

## Instructions:

Show Brenda Business Owner how easy it is to find her local SBDC center by taking a crayon or pencil and drawing a path from Entrance to Exit. There is only one correct path. Along the way, you may come across a dead end, stop sign or construction zone. Backtrack and try another route until you find an opening. Continue the path until you come to Exit!
