

# An SBDC Van for Jr. CBA Advisors!

Construct your own SBDC van for driving small business owners to your local SBDC center!

### Materials:

- Crayons or markers
- Scissors
- Glue or Tape

### Optional:

- 4 buttons, same size/color

### Instructions:

1. Color, then cut out the SBDC van, TOP, and 4 wheels.
2. Fold the sides and white tabs on the black lines.
3. Glue or tape "A" tab to *inside* of "B" side of van.
4. Fold in and tape all the white tabs to form a box.
5. Glue TOP of van to top of box.
6. Cut out black wheels and paste 2 on each side.
7. For extra fun, use 4 buttons as wheels!
